## DIRECTORS' REPORT

---

The Board of Directors is pleased to submit its report together with the audited financial statements of the Trust for the year ended December 31, 2023.

### THE TRUST

The Seychelles Conservation and Climate Adaptation Trust was established by an enactment of the Conservation And Climate Adaptation Trust Of Seychelles Act, 2022, (SEYCCAT) (as amended), which came into force effective October 13, 2022. The special purpose is to refinance the financial obligation of the Government of Seychelles to Paris Club creditors and to design and secure other innovative financial instruments to support conservation and climate adaptation in Seychelles.

### PRINCIPAL ACTIVITIES

- (a) Develop and administer the Endowment Fund, the Revolving Fund and the Additional Endowment Fund, and any other sources of funding;
- (b) Administer the assets of the Trust, intended to provide a sustainable flow of funds which supplements existing and future funds from any sources to enable the Trust to support the long-term management and expansion of the Seychelles system of protected areas and other activities which contribute substantially to the conservation, protection and maintenance of biodiversity and the adaptation to the climate change as identified through consultations with stakeholders; and
- (c) Perform exclusively for charitable, educational and scientific purposes for the benefit of the public in accordance with this SEYCCAT Act.

### COMPOSITION OF THE BOARD

The Directors of the Trust since the date of last report and the date of this report are:

Ministry responsible for Environment - Minister Flavien Joubert - Chairman & Ex-Officio Director

Ministry responsible for Finance - Ms. Cillia Mangroo

Fisheries Sector - Mrs. Phillianne Albert

The Nature Conservancy - Ms. Camila Monteiro - Vice-Chair & Ex-Officio Director

Citizens Engagement Platform Seychelles - Mr. Peter Purvis

Seychelles Chamber of Commerce and Industry - Mr. Oliver Bastienne - Treasurer

Seychelles Tourism and Hospitality Association - Mr. Amit Wasserberg

Islands Development Company - Mr. Glenny Savy

Fishermen & Boat Owners Association - Mr. Paul Morin

DIRECTORS' REPORT (CONT'D)

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are responsible for the overall management of the affairs of the Trust including the operations of the Trust and making investment decisions.

The Board of the Trust is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and in compliance with Conservation And Climate Adaptation Trust Of Seychelles Act, 2022 (SEYCCAT ACT) (as amended). This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. The Directors have the general responsibility of safeguarding the assets, both owned by the Trust and those that are held in trust and used by the Trust.

The Directors consider they have met their aforesaid responsibilities.

Effective January 1, 2021, the Trust introduced a new policy whereby all operational fixed assets grants are capitalised, be it grants in cash or kind. At the end of the year all Unutilised Grants are reclassified from Revenue to Unutilised Grant under Current Liabilities.

AUDITORS

The retiring auditors, Messrs. SKS Chartered Accountants, being eligible offer themselves for re-appointment.

### **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS**

This report is made solely to the members of Seychelles Conservation and Climate Adaptation Trust (hereafter referred to as the "Trust"), as a body, in terms of our engagement to conduct the audit on their behalf. Our audit work has been undertaken so that we might state to the Trust's members those matters which we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trust or the Trust's members as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Report on the audit of the Financial Statements**

We have audited the financial statements of Seychelles Conservation and Climate Adaptation Trust set out on pages 4 to 25 which comprise the Statement of Financial Position as at December 31, 2023, the Statement of Surplus or Deficit and Other Comprehensive Income and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

#### **Opinion**

In our opinion, the financial statements on pages 4 to 25 inclusive of Annex 1 and 2 give a true and fair view of the financial position of the Trust as at December 31, 2023 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards and comply with the Conservation And Climate Adaptation Trust Of Seychelles Act, 2022 (SEYCCAT ACT) (as amended).

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Seychelles, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**SEYCHELLES CONSERVATION AND CLIMATE ADAPTATION TRUST**

3(a)

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS (CONT'D)**

**Responsibilities of Directors and Those Charged with Governance for the Financial Statements**

The Directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and in compliance with the Conservation And Climate Adaptation Trust Of Seychelles Act, 2022 (SEYCCAT ACT) (as amended), and for such internal control as the Directors determine is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**SEYCHELLES CONSERVATION AND CLIMATE ADAPTATION TRUST**

3(b)

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS (CONT'D)**

**Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)**

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Directors.
- Conclude on the appropriateness of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Auditors' report on page 3 and 3(c).

**1. GENERAL**

The Seychelles Conservation And Climate Adaptation Trust is a Trust established by Government under the Conservation And Climate Adaptation Trust Of Seychelles Act, 2022 (SEYCCAT ACT) (as amended). It is domiciled in the Republic of Seychelles with its registered office located at Room 109, Oceangate house, Flamboyant Avenue, Victoria, Mahe P.O. Box 310, Victoria, Mahe, Seychelles.

The principal activities of the Trust are detailed on page 2.

These financial statements will be submitted for consideration and approval at the forthcoming Board Meeting of the Trust.

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**2. BASIS OF PREPARATION**

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) and comply with the Conservation and Climate Adaptation Trust Of Seychelles Act, 2022 (SEYCCAT ACT) (as amended).

The Financial statements of the Trust have been prepared on a historical cost basis, except as disclosed in the accounting policies:

The preparation of financial statements in compliance with adopted IFRS requires the use of certain critical accounting estimates. It also requires Trust's management to exercise judgment in applying the Trust's accounting policies. The areas where significant judgments and estimates have been made in preparing the financial statements and their effects are disclosed in Note 4.

**2. BASIS OF PREPARATION (CONT'D)**

**(a) Standards, Amendments to published Standards and Interpretations effective in the reporting period**

*IFRS 17 Insurance Contracts*

*Amendments to IFRS 17*

*Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2)*

*Definition of Accounting Estimates (Amendments to IAS 8)*

*Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12)*

*Initial Application of IFRS 17 and IFRS 9 – Comparative Information (Amendment to IFRS 17)*

*International Tax Reform – Pillar Two Model Rules (Amendments to IAS 12) – Application of the exception and disclosure of that fact*

*International Tax Reform – Pillar Two Model Rules (Amendments to the 'IFRS for SMEs' Standard) – Application of the exception and disclosure of that fact*

**2. BASIS OF PREPARATION (CONT'D)****(c) Standards, Amendments to published Standards and Interpretations issued but not yet effective**

Certain standards, amendments to published standards and interpretations have been issued that are mandatory for accounting periods beginning on or after January 1, 2024 or later periods, but which the Trust has not early adopted.

*At the reporting date of these financial statements, the following were in issue but not yet effective and not early adopted:*

***IFRS S1 General Requirements for Disclosure of Sustainability-related Financial Information***

IFRS S1 sets out overall requirements for sustainability-related financial disclosures with the objective to require an entity to disclose information about its sustainability-related risks and opportunities that is useful to primary users of general purpose financial reports in making decisions relating to providing resources to the entity.

***IFRS S2 Climate-related Disclosures***

IFRS S2 sets out the requirements for identifying, measuring and disclosing information about climate-related risks and opportunities that is useful to primary users of general purpose financial reports in making decisions relating to providing resources to the entity.

***Classification of Liabilities as Current or Non-Current (Amendments to IAS 1)***

The amendments aim to promote consistency in applying the requirements by helping companies determine whether, in the statement of financial position, debt and other liabilities with an uncertain settlement date should be classified as current (due or potentially due to be settled within one year) or non-current.

**2. BASIS OF PREPARATION (CONT'D)****(c) Standards, Amendments to published Standards and Interpretations issued but not yet effective (Cont'd)***Lease Liability in a Sale and Leaseback (Amendments to IFRS 16)*

The amendment clarifies how a seller-lessee subsequently measures sale and leaseback transactions that satisfy the requirements in IFRS 15 to be accounted for as a sale.

*Non-current Liabilities with Covenants (Amendments to IAS 1)*

The amendment clarifies how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability.

*Supplier Finance Arrangements (Amendments to IAS 7 and IFRS 7)*

The amendments add disclosure requirements, and 'signposts' within existing disclosure requirements, that ask entities to provide qualitative and quantitative information about supplier finance arrangements.

**2. BASIS OF PREPARATION (CONT'D)**

**(c) Standards, Amendments to published Standards and Interpretations issued but not yet effective (Cont'd)**

*Lack of Exchangeability (Amendments to IAS 21)*

The amendments contain guidance to specify when a currency is exchangeable and how to determine the exchange rate when it is not.

*Amendments to the SASB standards to enhance their international applicability*

The amendments remove and replace jurisdiction-specific references and definitions in the SASB standards, without substantially altering industries, topics or metrics.

NOTES TO THE FINANCIAL STATEMENTS - FOR THE YEAR ENDED DECEMBER 31, 2023

---

**2.1 SIGNIFICANT ACCOUNTING POLICIES****(a) Financial instruments**

Financial assets and liabilities are recognised on the Trust's Statement of Financial Position when the Trust has become a party to the contractual provisions of the instrument. The Trust's accounting policies in respect of the main financial instruments are set out below.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Surplus or Deficit.

All recognised financial assets are measured subsequently in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

**(i) *Classification of financial assets***

Financial instruments held by the Trust that meet the following conditions are measured subsequently at amortised cost:

- The financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

These includes long term loans receivables, cash and bank balance and other receivables.

**(ii) *Amortised cost and effective interest method***

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income over the relevant period. For financial assets other than purchased or originated credit impaired financial assets (i.e. assets that are credit impaired on initial recognition), the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses, through the expected life of the financial instrument, or, where appropriate, a shorter period, to the gross carrying amount of the financial instrument on initial recognition. For purchased or originated credit impaired financial assets, a credit adjusted effective interest rate is calculated by discounting the estimated future cash flows, including expected credit losses, to the amortised cost of the financial instrument on initial recognition.

**2.1 SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(a) Financial instruments (Cont'd)****(ii) *Amortised cost and effective interest method (Cont'd)***

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. The gross carrying amount of the financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

Interest income is recognised using the effective interest method for financial instruments measured subsequently at amortised cost. For financial assets other than purchased or originated credit impaired financial assets, interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset, except for financial assets that have subsequently become credit impaired. For financial assets that have subsequently become credit impaired, interest income is recognised by applying the effective interest rate to the amortised cost of the financial asset. If, in subsequent reporting periods, the credit risk on the credit impaired financial instrument improves so that the financial asset is no longer credit impaired, interest income is recognised by applying the effective interest rate to the gross carrying amount of the financial asset.

Interest income is recognised in the Statement of Surplus or Deficit.

**(iii) *Impairment of financial assets***

The Trust recognises a loss allowance for Expected Credit Losses (ECL) on investments in financial instruments that are measured at amortised cost as well as on financial guarantee contracts. The amount of ECL is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

For all material financial instruments, the Trust recognises lifetime ECL when there has been a significant increase in credit risk since initial recognition. However, if the credit risk on the financial instrument has not increased significantly since initial recognition, the Trust measures the loss allowance for that financial instrument at an amount equal to 12-month ECL.

ECL upon implementation of IFRS 9 in 2018 and for the current year was deemed immaterial.

**2.1 SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(a) Financial instruments (Cont'd)****(iv) Cash and cash equivalents**

Cash comprises cash in hand, at bank and demand deposits.

Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, against which the bank overdrafts, if any are deducted.

**(v) Borrowings**

Borrowings are recognised initially at fair value being their issue proceeds net of transaction costs incurred. Borrowings are subsequently stated at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the Statement of Comprehensive Income over the period of the borrowings using the effective interest method. Borrowings are classified as current liabilities unless the Trust has an unconditional right to defer settlement of the liability for at least twelve months after the date of the reporting period.

**(vi) Other Payables**

Other payables are stated at fair value and subsequently measured at amortised cost using the effective interest method. Effective January 1, 2023, the balance of unutilised grants for BNA BGF Project is classified in a control account under Other Payables.

**(vii) Offsetting**

Financial assets and liabilities are offset and the net amount is reported in the Statement of Financial position when the Trust has a legal enforceable right to set off the recognised amounts and the Trust intends either to settle on a net basis, or to realise the asset and liability simultaneously.

**(b) Grant**

Deferred grants related to amount received from the Nature Conservancy to part finance loan repayment by the Government of Seychelles. The grant is recognised only when there is reasonable assurance that the Trust will comply with any conditions attached to the grant and the grant is receivable.

The grant is recognised as income over the period necessary to match them with the related costs, for which they are intended to compensate, on a systematic basis.

## NOTES TO THE FINANCIAL STATEMENTS - FOR THE YEAR ENDED DECEMBER 31, 2023

**2.1 SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****(c) Foreign currencies****(i) Functional and presentation currency**

Items included in the financial statements are measured using USD, the currency of the primary economic environment in which the Trust operates (“functional currency”). The financial statements are presented in USD which is the Trust’s functional and presentation currency.

**(ii) Transactions and balances**

Foreign currency transactions are translated in the functional currency using the exchange rates approximating those ruling on the transaction dates (average rate used by the Trust). Foreign exchange gains and losses resulting from the settlement of such transactions and from translation of monetary assets and liabilities denominated in a currency other than the presentation currency, are recognised in Statement of Surplus or Deficit. Such monetary assets and liabilities are translated into presentation currency using the exchange rates ruling on the date of the Statement of Financial Position.

Non-monetary assets which are denominated in a currency other than the presentation currency are translated at exchange rates prevailing at the date these assets were recognised in the Financial Statements.

**(d) Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits associated with the transaction will flow to the enterprise and the amount of the revenue can be measured reliably. Revenue is measured at the fair value of consideration received.

**(i) Interest income and expenses**

Interest income and expense are recognised in the Statement of Surplus or Deficit for all interest-bearing instruments on an accrual basis using the effective yield method based. (Refer to 2.1a(ii))

**(ii) Grants and donations**

Grants and donations are recognised on a receipt basis.

**(e) Equipment and depreciation**

Equipment are stated at cost less accumulated depreciation. Equipment costing less than SCR 5,000 is expensed. Depreciation on equipment costing more than SR 5,000 is calculated to write off their cost on a straight line basis over their estimated useful lives. The principal annual rates are:

Computer & Accessories	33.33%
Equipment	33.33%
Furniture & Fittings	20.00%
Motor Vehicles	25.00%

Gains and losses on disposals of equipment are determined by comparing proceeds with carrying amounts and are included in the Statement of Surplus or Deficit.

## 2.1 SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

### (f) Provisions

Provisions are recognised when the Trust has a present legal or constructive obligation as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

### (g) Business tax

According to Conservation And Climate Adaption Trust Of Seychelles Act, 2022 (SEYCCAT ACT) (as amended), paragraph 28(1) the Trust shall, notwithstanding any other written law, be exempt from the payment of the business tax.

## 3 FINANCIAL RISK MANAGEMENT

### 3.1 Financial Risk Factors

The Trust's activity exposes it to a variety of financial risks, Including: credit risk, currency risk, liquidity risk and interest rate risk. The Trust's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effect of the Trust's financial performance.

A description of the significant risk factors is given below together with the risk management policies applicable.

#### (a) Credit risk

Credit risk refers to the risk that a borrower may not repay a loan and that the lender may lose the principal of the loan or the interest associated with it.

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Trust compares the risk of a default occurring on the financial instrument at the reporting date with the risk of a default occurring on the financial instrument at the date of initial recognition. In making this assessment, the Trust considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

The main credit risk arises from its loan's receivables from the Government of Seychelles but this risk is considered low since these are from a financially sound institute where risk of default is remote.

## NOTES TO THE FINANCIAL STATEMENTS - FOR THE YEAR ENDED DECEMBER 31, 2023

**3 FINANCIAL RISK MANAGEMENT (CONT'D)****3.1 Financial Risk Factors (Cont'd)****(b) Currency risk**

The Trust is exposed to foreign exchange risk since some of cash balances are denominated in Seychelles rupee. Foreign exchange risk is not hedged.

As at December 31, 2023, cash balance denominated in Seychelles Rupee amounted to USD 2,720,380 (2022: 2,686,465).

If the US Dollar had weakened/strengthened by 10% against foreign currencies as at December 31, 2023, the impact on the Trust's results would have been USD 272k (2022: 269k)

**(c) Liquidity risk**

The Trust practices prudent liquidity risk management by maintaining adequate line of credits to meet its funding needs. The table below analyses the Trust's financial exposure at the date of the statement of financial position:

	<b>Less than 1 year USD</b>	<b>Between 2 and 5 years USD</b>	<b>Above 5 years USD</b>	<b>Total USD</b>
<b>At December 31, 2023</b>				
Borrowings	1,654,481	2,575,955	-	4,230,436
Other payables	509,260	-	-	509,260
	<b>2,163,741</b>	<b>2,575,955</b>	<b>-</b>	<b>4,739,696</b>
<b>At December 31, 2022</b>				
Borrowings	1,605,941	4,230,436	-	5,836,377
Other payables	85,409	-	-	85,409
	<b>1,691,350</b>	<b>4,230,436</b>	<b>-</b>	<b>5,921,786</b>

**(d) Interest rate risk**

The Trust finances its operations through operating cash flows which are principally denominated in US Dollar. The Trust's income and operating cash flows are not exposed to interest rate risk as the loans and receivables and borrowings bears fixed interest rates.

Had the interest rate varied by plus or minus 10 basis points with all other variables held constant the impact would have been USD 131 (2022: USD 125).

NOTES TO THE FINANCIAL STATEMENTS - FOR THE YEAR ENDED DECEMBER 31, 2023

---

**3 FINANCIAL RISK MANAGEMENT (CONT'D)****3.2 Fair Value Estimation**

The estimated fair values of the financial assets and liabilities as at the reporting date approximate their carrying amounts as shown in the Statement of Financial Position.

**4 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS**

The preparation of financial statements requires the use of certain critical estimates and judgements that effect the application of Trust's accounting policies, reported amounts of assets, liabilities, income and expenses, and disclosures made. Estimates and judgements are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The areas involving a higher degree of judgement of complexity or areas where assumptions and estimates are significant to the financial statements and that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities subsequent to the reporting date are discussed below:

**(a) Functional currency**

The Board of Directors have determined the US Dollar to be the functional currency on the Trust.

**(b) Impairment losses on loans receivable and investments at amortised cost**

The measurement of impairment losses both under IFRS 9 and IAS 39 across all categories of financial assets requires Judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances.

The Trust's ECL calculations are outputs of complex models with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL models that are considered accounting judgements and estimates include:

- The Trust's criteria for assessing if there has been a significant increase in credit risk and so allowances for financial assets should be measured on a LTECL basis and the qualitative assessment;
- Development of ECL models, including the various formulas and the choice of inputs;

**4 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS (CONT'D)****(b) Impairment losses on loans receivable and investments at amortised cost (Cont'd)**

- Determination of associations between macroeconomic scenarios and, economic inputs, such as unemployment levels and collateral values, and the effects on PDs, EADs and LGDs; and
- Loan receivable and investment at amortised cost been assessed to have low credit risk on each reporting date based on their credit ratings. Since these are receivable from Republic of Seychelles; the Directors have estimated that no impairment is required due to existence of sovereign guarantee.

**(c) Impairment losses on cash and bank balances and other receivable**

All bank balances are assessed to have low credit risk at each reporting date as they are held with reputable banking institutions. Directors have estimated impairment to be immaterial.

The Directors have concluded that it would require undue cost and effort to determine the credit risk for other receivable. Therefore no assessment has been done as the balance is immaterial.

**(d) Business model assessment**

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Trust determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated.

The Trust monitors financial assets measured at amortised cost prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Trust's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets. No such changes were required during the periods presented.

**(e) Increase in credit risk**

IFRS 9 does not define what constitutes a significant increase in credit risk. In assessing whether the credit risk of an asset has significantly increased the Trust considers qualitative and quantitative reasonable and supportable forward-looking information.

## NOTES TO THE FINANCIAL STATEMENTS - FOR THE YEAR ENDED DECEMBER 31, 2023

## 5. LOANS RECEIVABLE

	Full Loan Facilities Agreed	Repayment Date	Actual Disbursements
	USD		USD
Facility A1	20,875,976	Feb 2026	15,186,330

	USD	USD
Non-current	2,575,955	4,230,436
Current	<u>1,654,481</u>	<u>1,605,941</u>
	<b><u>4,230,436</u></b>	<b><u>5,836,377</u></b>

(a) The borrowings payable to The Nature Conservancy is denominated in US Dollars, bearing interest at 3% and secured by security assignment of receivable from the Government of Seychelles (Note 5).

(b) The movement in borrowings is as follows:

	<u>2023</u>	<u>2022</u>
	USD	USD
At January 1,	5,836,377	7,395,203
Refund of loans granted	<u>(1,605,941)</u>	<u>(1,558,826)</u>
<b>At December 31,</b>	<b><u>4,230,436</u></b>	<b><u>5,836,377</u></b>

(c) The maturity profile of non-current borrowings is shown in Note 3.

(d) The carrying amount of borrowings approximate its amortised cost.

## NOTES TO THE FINANCIAL STATEMENTS - FOR THE YEAR ENDED DECEMBER 31, 2023

**10. DEFERRED GRANTS**

- (a) The Nature Conservancy (the "Conservancy") availed a grant of USD 5 million pursuant to which the Trust provided the Government of Seychelles (GOS) with the funding necessary for the GOS to engage in a partial buyback of its debt from its bilateral creditors.

The Conservancy negotiated debt of USD 21,626,803 (Note 5) owed by GOS to its bilateral creditors for USD 20,186,330 (Note 5) resulting in a discount of USD 1,440,472 which has been granted to the Trust to assist its marine and conservation activities.

- (b) The movement in deferred grant is as follows:

	<u>2023</u>	<u>2022</u>
	USD	USD
At January 1,	4,750,857	5,032,550
Release to Statement of Surplus or Deficit	(290,208)	(281,693)
<b>At December 31,</b>	<b><u>4,460,649</u></b>	<b><u>4,750,857</u></b>

*Analysed as:*
